

MAPLE CABIN

PART TWO of FOUR

Finished size: approximately 83" x 83"
40 Log Cabin and 20 Leaf blocks are 9" finished

Designed and quilted by Linda Hahn, Frog Hollow Designs

Binding by Deb Stanley

Quilt photographed made with Bedfordshire fabrics designed by Jinny Beyer for RJR Fabrics
Nature-Fil Bamboo Rayon Blend batting by Fairfield Processing

This pattern is a gift to you from Linda Hahn and the American Quilter's Society for personal use only. Duplication of any kind is not permitted for the purpose of re-sale or profit.

LEAF BLOCK

Make 2 from each of 10 different colors/fabrics

Total 20 leaf blocks

For each leaf block, you will use:

- (2) 2½" Cream #2 stem Connector Squares
- (1) 3½" Dark Gold #2 for leaf stem
- (3) 3½" Squares in leaf color
- (2) 4" Squares of Cream #2
- (2) 4" Squares in leaf color for HST

Make Stems with Connector Squares

For each stem block: Start with one 3½" Dark Gold #2 square.

Place one 2½" Cream #2 stem Connector Square in one corner, right sides together.

Sew diagonally from one corner of the Connector Square to the opposite corner.

Cut off the outer triangle of the Connector Square, leaving a $\frac{1}{4}$ " seam allowance.

Press the remaining half of the Connector Square toward the corner. Make sure that the resulting square remains $3\frac{1}{2}$ ". Then trim the Dark Gold #2 from underneath, leaving $\frac{1}{4}$ " seam allowance.

Add another $2\frac{1}{2}$ " Cream #2 connector square to the opposite corner of the same $3\frac{1}{2}$ " Dark Gold #2 square following this Connector Square procedure. Make 20 of these stem squares.

Half Square Triangles

For one leaf square:

Place one 4" square of Cream #2 and one 4" square of leaf color right sides together. Draw a diagonal line from corner to corner. Stitch a scant 1/4" from each side of the drawn line.

Cut apart along the drawn line between the stitched lines.

Press open, and trim to 3½" square. Repeat one time to create a total of 4 Half Square Triangle (HST) units for each leaf. You will make 8 HST from each of the 10 leaf colors plus Cream #2.

Assemble Leaf Blocks

Referring to the image of the block for placement, assemble the leaf blocks using 1 stem square, 4 HST, (3) 3½" leaf color squares, and (1) 3½" square of Cream #2.

The block will measure 9½".
